

INTERPERSONAL STRATEGIES  
& CONSULTING

## Treatment Agreement Contract

Welcome to Interpersonal Strategies & Consulting, LLC. I am committed to provide the best mental health service to my clients. I believe that it is critical to the success of these services that we work together to address issues that are important to you and assist with the management of your symptoms/issues.

I will assess and have you participate in development of an individual treatment plan. I expect clients to keep their appointments and use this opportunity to make most of the experience. If, for any reason, you are unable to keep your appointment, please contact me ASAP so that I can schedule another client, as well as reschedule your appointment. You may be charged \$60 for missed appointments, or appointments that are not cancelled 24 hours prior to the scheduled time.

---

I understand that by signing this contract, I am committing to regular attendance and being on time for all of my appointments, to help me reach my goals in treatment.
